60. Choose the <i>Research 01</i> tab.	 A screenshot of the SAP Fiori Launchpad interface. The top navigation bar shows several tabs: 'My Home', 'Cross Topic', 'Floor Launchpad', 'Line of Business', 'Reference Apps', 'Research 01', and 'UX300 - Research'. The 'Research 01' tab is highlighted with a yellow box and a yellow circle containing the number '60'. Below the navigation bar, the 'Recently Added Apps' section displays several app tiles, including 'Data Browser', 'Maintain Bill Of Material', 'Manage Business Partner Master Data', 'My Benefits 01', 'Manage Sales Orders', and 'Track Sales Orders'.
 The tile for the app <i>Manage Raw Substances</i> is shown because the <code>SAP_PLM_BC_RD_RAW_SUBST</code> catalog is already assigned to the user via another role (<code>SAP_BR_EDUC_PLM_ENGINEER</code>).	 A screenshot of the SAP Fiori Launchpad interface, showing the 'Research 01' tab selected. The main content area displays a 'Recipes' section with a 'My Recipe Overview' tile and a 'Manage Recipes' button. Below this, the 'Substances' section is visible, and the 'Manage Raw Substances' tile is highlighted with a yellow box.
 You have now successfully created SAP Fiori spaces and pages.	 A screenshot of the SAP Fiori Launchpad interface, showing the 'Research 01' tab selected.
